## Together We Can Make A Difference!

Mackenzie's family learned early that there is little established help for families of children with Rhabdoid cancer. During the time Mackenzie fought for her life against this demon disease, her family faced financial and emotional bankruptcy. Luckily for Pam and Megan people like you were there for them. Without people like you, they would have lost their home, could not have afforded regular meals, fuel for transportation, or many other every day necessities that many times we take for granted.

*With your help our mission can be accomplished.* Families do not have to face this disease and learn that there is no cure. *Parents of children battling this cancer do not have to face financial devastation because they choose not to leave their dying babies in a hospital alone.* Please show your support by making a commitment and returning the Pledge form below. Together we can truly save the lives of babies just like Mackenzie. *Will you*

Clip and mail the Pledge of Support form below to: Sweet Mackenzie Foundation, 305 St. Edwards Drive, Dandridge TN 37725
