CARING IS COOL!

Show that you care by wearing your "Cool Kids Care" t-shirt!

"Cool Kids Care" is a project of the Sweet Mackenzie Foundation to raise awareness about childhood cancer and to help provide needed resources to families of children battling cancer. The foundation operates in memory of Mackenzie Grace McMahan who lost her battle with cancer at less than 5-months old on October 27, 2007. All of the proceeds from the t-shirts sold through the "Cool Kids Care" campaign will be used to help families with children fighting cancer and to find a cure.
